### Call for OkACTE Guidance Officers

Anyone interested in serving as an OkACTE Guidance officer for the 2012-2013 term please contact Kelly Arrington for an Involvement Form. You will find a description of each office as well as term limits. We are in need of someone serving in each office except for CTAC representative. Everyone is encouraged to give consideration to this area of service. It is a great way to become involved and to learn what Career Tech has to offer in addition to ideas that will strengthen our Guidance division.
